KY EXCEL Project Idea List  Updated 1/17/06	Priority Project	Conservation	Education	Energy Efficiency	Financial Support	Mentoring & Technical Assistance	Performance Improvement	Public Health	Restoration	Waste Reduction
Actively support Low Impact Development, Regional Planning, Smart Growth, Growth Readinesss, etc. projects								v		
Adopt a Highway		Х				Х		Х		
		Х						Х	Х	
Adopt-a-stream project with minimum annual event		Х						Х	Х	
Advertise "Clean Air" lawn care solutions		Х						Х	Х	
Advertise Nature's Finest plates					Х					
Agree to care & protect a property listed as a Natural Area		х								
Agree to Conservation Easement on company owned										
high quality natural areas		Х								
Agree to Steward a natural area, either hands-on or by										
providing funding for seasonal staff		Х								
Assist county in developing a Brownfields inventory						Х	Χ			
Assist implementation of TMDL's		Х				Х				
Assist Schools in Addressing Environmental Issues						Х	Х			
Assist Schools in Green & Healthy School Inventory			Х			Х				
Assist or donate to Watershed Watch or Water Watch										
projects					Х	Х				
Bacon Creek BMP Design & Installation						Х				
Bacon Creek Install/Reactivate Gaging Stations						Х				
Be designated a "Certified Environmental Developer"		Х								
Be the contact/coordinator for Firewise Community								Х		
Become a "Best Workplace for Commuters" (provide										
carpool options, preferred parking for carpools and alt										
fuel vehicles, bike racks, showers for bicyclists,etc. see	!			Х						
Become an Energy Star Partner		.,		Х						
Build a Butterfly or Bird Garden		Х							.,	
Cellegt, Hayl, and Recycle Wests Tires									X	
Collect, Haul, and Recycle Waste Tires  Complete a stream restoration project									Х	
Complete a stream restoration project  Complete a wellhead protection project		Х						Х		
Complete a wellinead protection project  Complete an energy efficiency initiative		^		Х				^		
Complete or support a crumb rubber project				^						Х
Comply w/MACT Standard prior to requirement							Х	Х		
Conduct Hydraulic Analysis for waterline extension	1			<u> </u>		Х				
Contribute to a Resource Conservation District										
mapping project					х	Х				
Contribute to equipment or materials for a natural area										
maintenance project		Х				х				
Convert from fossil fuel to alternates				Х						
Cooperatively fund a USGS gaging station						х	L ¯		L ¯	
Create no-smoking policy for all campus buildings								Х

	Ь	)	3	Э	F	<b>~ ~</b>	F	Ь	F	
Develop "where to recycle" information for distribution			Х							
Develop a trail system with signage			Х							
Develop a Watershed Basin Plan for Rough River Lake		х				х				
Develop an ecological subdivision							Х			
Develop an Ozone Garden								Х	Х	
Develop and offer environmental and sustainability										
awareness training to interested groups(including other										
members)			Х							
Develop outdoor classrooms focused on water			Х							
Develop plans & bid specs for landfill closure						Х			Χ	
Develop Watershed Basin Plan for Dawson Springs		Х				Х				
Donate bottled water during boil water advisory or for										
people in need of a clean water supply								Χ		
Donate equipment and labor for a clean-up project					Х				Х	
Donate money to the Heritage Land Conservation Fund										
(land purchases)		Х			Х					
Donate power/discounts to small DW systems in schools					x					
Educate public about water source protection			Х							
Educate public on drinking water science			Х							
Educate school children on drinking water science			Х							
Establish a linen reuse program for hotels				Х						
Facilitate/host networking group of area environmental										
managers			Х			Х				
Form or contribute to a Kentucky Natural Lands Trust		Х								
Fund a project to eliminate straight pipes					Х			Χ		
Fund a school bus retrofit				Х	Х					
Fund an educational initiative on native plants vs.										
exotic species (ex. session for nursery owners)			Х		Х					
Fund an environmental research project through the										
Small Grants Program			Х		Х					
Fund an local environmental organization (BG Pride)					Х					
Fund Governor's scholars to assist schools in					v					
environmental projects					X					
Gas Cap Testing/gas can give-away sponsor Give presentation on water quality and economic					Х					
benefits			х							
Help with closure for local small historic landfills								Х	Х	$\vdash$
Implement a specific recommendation from an area								^	^	
watershed plan					х	Х				
Implement anti-idling policy for fleet vehicles				Х						
Implement green building practices				Х						
Implement green purchasing policies				Х						Х

KY EXCEL Project Idea List  Updated 1/17/06	Priority Project	Conservation	Education	Energy Efficiency	Financial Support	Mentoring & Technical Assistance	Performance Improvement	Public Health	Restoration	Waste Reduction
Implement water use efficiency programs										Χ
Increase marketing & use of recycled materials										Х
Initiate voluntary "add on" program to company billing										
that provides funding for reforestation projects		Х			Х					
Install a wind break downwind of odors									Χ	
Install an emergency alert (call) system								Χ		
Install natural barriers									Χ	
Install pervious pavement (non-Karst applications)									Χ	
Jennings Creek Water Quality Monitoring support					Х	Х				
Join a STAR (toxics reduction) program								Χ		Χ
Join a watershed/basin coordinators team in your area										
		Х						Х		
Lawn care for cleaner air promotion (save water,										
pesticide, fertilizer, less mowing, less fuel)				Х						Х
Lead an exotic/invasive species removal project									Х	
Lead an Urban Forestry project (street trees, parks)										
									Х	
Locate business/industry in an area where DW lines are needed to benefit the community by providing										
water & jobs								х		
Maintain a natural area trail		Х								
Make a Donation to the Pride Fund										
			V		Х					
Make an existing building environmentally educational			Х							
Measure Diesel Particulate in an urban area						X		Х		
Mentor/coach another member						Х				
Minimize a hazardous waste stream										Х
Offer rebates on Energy Star products				Х	Х					-
Own a Commonwealth Cleanup Week project									Χ	Χ
Parking Lot Swale development that includes pollution										
prevention vegetation									Χ	
Participate in E2/P2/TDI focus groups				Χ						Χ
Participate in KPPC E2/P2 technology diffusion				Χ						Χ
Participate/Join in Watershed planning in community							Χ	Χ		
Plant trees on a school campus			Х						Χ	
Promote the Clean Counties program challenge									Χ	Χ
Provide an indoor air mold study in a school						х		х		
Provide BMP Training to Prevent Surface Mine Runoff			х							
Provide classroom education on water quality and										
watershed mngt. w/DEP approved curriculum			х							
Provide equip/labor to install water lines for a small										
drinking water system					Х	Х		Χ		
Provide expertise, materials, resources, or funding										
support to build a High Performance School				Х	Х	Х				

KY EXCEL Project Idea List  Updated 1/17/06  Provide Financial Support for Brownfields economic development projects Provide free septic pumpouts & inspections in unsewered areas Provide programming expertise to build recycling data bases Provide tech assistance, design, and/or obtain

development projects
Provide free septic pumpouts & inspections in unsewered areas
unsewered areas
Provide native plants for revegetation projects   Provide programming expertise to build recycling data bases   x
Provide programming expertise to build recycling data bases x
bases
TETOVICE LECTI ASSISTANCE, CIESTON, ANCI/OT ODITANT TO THE TOTAL T
contruction permits for a small drinking water system
Provide tech assitance to find & stop water leaks
Provide technical assistance to small communities with
environmental issues/problems x x
Provide training on industrial spill containment x
Provide training opportunities for DWM staff x
Purchase recycling equipment for city or county
Purchase recycling equipment for own use
Recruit more involvement from others in watershed  X
Reduce # Historical Exceptions X Reduce TRI Emissions
Reduced specified air pollutants beyond requirements- more reduction, faster  x x
Reforest a deforested area
Remove asbestos from a school or a community facility
Retrofit off-road equipment to reduce emissions x x
Reuse ash in construction materials
Select and reduce a solid waste stream
Sponsor local household haz waste collection x
Sponsor "Perils of Pollution" puppet show x x
Sponsor a Clean Air contest for the public (billboard,
posters, etc.) x x
Sponsor a DAQ media campaign on air quality
Sponsor a solar energy project
Sponsor a wastewater monitoring station
Sponsor airtime for an environmental public service x
Sponsor an air monitoring site
Sponsor an electronics scrap collection event x
Sponsor an environmental study for a local issue x x
Sponsor Health Screenings x x
Sponsor KPPC workshop on E2, P2, or EMS x x
Sponsor LCD Traffic Light(s)

KY EXCEL Project Idea List  Updated 1/17/06	Priority Project	Conservation	Education	Energy Efficiency	Financial Support	Mentoring & Technical Assistance	Performance Improvement	Public Health	Restoration	Waste Reduction
Sponsor media campaign to conserve electricity				Х	Х					
Sponsor mold remediation in schools					Х			Х		
Sponsor National Energy Education Development			х	Х	Х					
Sponsor or conduct Erosion Control Workshops					Х	Х				
Sponsor or Teach a Watershed Workshop; Sponsor a										
conference or basin meeting					Х	х				
Sponsor recycle giveaways for schools, scouts, etc.			х		Х					
Sponsor truck stop electrification				Х	Х					
Sponsor Youth Environmental Summit			Х		Х					
Sponsor/participate in America Recycles Day			х		Х					Х
Sponsor/participate in Earth Day events			х		Х			Х		
Sponsor/Participate in National Pollution Prevention										
Week event					Х					х
Stinking Creek Watershed Education & Outreach			Х			Х				
Study alternate uses for waste streams (ex. tires)										Χ
Support priority watersheds to reach water quality										
objectives					Х				Х	
Support stream mitigation programs (site,funds,design)					Х				Х	
Support the development of waste & water services at										
the SBDC		.,						Х		
Support the tax check-off program (advertise) Support/sponsor Growth Readiness training event		Х			X					
Target low impact development methods to protect			Х		^					
water resources							v			
Train UST owners on compliance						Х	Х			
Use Hybrid or Alternative fuels for fleet vehicles				Х		^				
Use social marketing to encourage behavior change			х							
Use Tire Derived Fuel										
Volunteer to act as a monitor/custodian for a nature										Х
preserve area						х				
Volunteer to Maintain Data Base information						Х				
Wastewater utility accept sewage if capacity allows								v		
Wastewater utility administer SRF individual loan for								Х		
on-site system					х			х		
Wastewater utility establish a Pride program			Х							
When appropriate, identify SEP that fulfills project										
requirements						Х				
Work with garden centers to distribute lawn care info.			Х
